Sources on asylum

This document presents the sources used for the production of the [Asylum Report 2023](#). Sources are grouped by type, for example material produced by European institutions and agencies, international organisations, national authorities, civil society organisations, think tanks and academia. A list of legislation referenced in the report is also provided, as well as an overview of case law based on the [EUAA Case Law Database](#). Over 1,300 sources were reviewed for the 2023 edition of the Asylum Report.
