

# CERIS

expert group

### **Babak Akhgar (FCT/INFRA)**

Professor of Informatics, Director of CENTRIC. He has written and edited 16 books on security related topics. Prof Akhgar is board member of NEBRC. He has been awarded an OBE (Officer of the Order of the British Empire) in June 2022, the second highest order of the British Empire award, in recognition of his services to security research.

**+447932030865**

**[b.akhgar@shu.ac.uk](mailto:b.akhgar@shu.ac.uk)**

### **Christoph Busch (BM)**

Professor at the Hochschule Darmstadt (Germany) and at NTNU (Norway). He has more than 25 years of experience in biometrics for border control. He was the initiator of EU security research projects 3D-Face, FIDELITY and iMARS and partner in TURBINE, BEST Network, ORIGINS, INGRESS, PIDaaS, SOTAMD, RESPECT and TReSPAsS.

**+49 6151 533 60090**

**[christoph.busch@h-da.de](mailto:christoph.busch@h-da.de)**

### **Daniel Camara (FCT/INFRA)**

Works at the Center for Artificial Intelligence at the French Gendarmerie, on the development of tools and methods to improve LEAs efficiency in the investigative process. He is co-chair of Europol's core group on natural language processing. He holds two PhDs (Comp Sci and Telecom)

**[daniel.camara@gendarmerie.interieur.gouv.fr](mailto:daniel.camara@gendarmerie.interieur.gouv.fr)**

### **Patricia Compard (DRS)**

Police Commissioner since 1990. Intelligence business for French Gov+NATO and French Gov Crisis Center. Skills: Crisis management, Civil protection, Counter-espionage, -terrorism, -interference, organised crime, IT governance. International and European standardisation of security (Chair of CEN/TC 391 Societal and Citizen Security)

**[patricia.compard@netc.fr](mailto:patricia.compard@netc.fr)**

## **Stephan Corvers (SSRI)**

Founder & CEO of Corvers Procurement Services B.V., with more than 25 years in the field of European Procurement and related knowledge as of counsel in strategic scenarios aimed to innovation and defining and implementing (cross-border) procurement projects (e.g. EAFIP-initiative) in the security and defense domains.

**[S.Corvers@corvers.com](mailto:S.Corvers@corvers.com)**

## **Caroline Davey (FCT/INFRA)**

Professor in Design, Innovation & Society and Director of the Design Against Crime Solution Centre at the University of Salford. She was coordinator of the EU-funded Cutting Crime Impact (CCI) project ([www.CuttingCrimeImpact.eu](http://www.CuttingCrimeImpact.eu)) (2018–21; Grant no. 787100).

**[c.davey@salford.ac.uk](mailto:c.davey@salford.ac.uk)**

## **Beatriz De Anton Lazaro (FCT/INFRA)**

Head of operational Police Section in the CT Headquarters of the Spanish National Police. Before I have been a Head of the Internacional Relations of the CNPIC of the Spanish Mol. Previously, I had several management functions at the Police Academy and at the beginning of my career I was a criminal investigator.

**+34 672292854**

**[beatriz.anton@policia.es](mailto:beatriz.anton@policia.es)**

## **Luigi De Dominicis (DRS)**

Physicist PhD, is Responsible for the Division of Physical Technologies for Security and Health at ENEA (Italy) and with more than 28 years of activity in R&D and innovation. He has been coordinating research projects for the EC, NATO, ESA and national programmes.

**+39 3476859004**

**[luigi.dedominicis@enea.it](mailto:luigi.dedominicis@enea.it)**

## Yannick De Smet (SSRI)

Regional Director at the G4S Academy Europe. G4S, an Allied Universal company, is a global integrated security company with 800 000 employees worldwide. He has 17 years of experience in risk management, with focus on critical infrastructure protection (energy, health, ICT, supply chains, urban environments) and R&I management, and the swift uptake of innovation.

**+32498126152**

**[yannick.desmet@be.G4S.com](mailto:yannick.desmet@be.G4S.com)**

## Kostas Demestichas (FCT/INFRA)

Assist. Professor of Informatics at the Agricultural University of Athens. I have had more than 17 years of experience as a project manager in security research and artificial intelligence at the Institute of Communication and Computer Systems, with over 150 scientific publications.

**+306973817958**

**[cdemest@cn.ntua.gr](mailto:cdemest@cn.ntua.gr)**

## Anastasios Dimou (DRS)

Fellow Researcher at the Centre for Research and Technology Hellas. He is an Electrical and Computer Engineer with a Ph.D. in image processing for surveillance applications. He has significant experience in AI and computer vision, participating in 14 EU research projects with significant roles.

**+306947521747**

**[dimou@iti.gr](mailto:dimou@iti.gr)**

## Michael Doherty (BM)

Specialist in detection technologies and customs procedures. He is currently active in two H2020 projects. As an Assistant Principal in IE Customs, he was responsible for detection technologies, radiation safety, and coordinating national & international anti-smuggling operations.

**+353868152000**

**[mdochar@gmail.com](mailto:mdochar@gmail.com)**

### **Anneli Ehlerding (FCT/INFRA)**

Has a PhD in physics, and more than 10 years of experience of various research connected to security of explosives, primarily detection and forensics. She has participated in several FP7/H2020 research projects, and coordinated the projects HECTOS and EXERTER.

**+46 70 9277383**

**[anneli.ehlerding@foi.se](mailto:anneli.ehlerding@foi.se)**

### **James Ferryman (BM)**

Professor of computer science with 15+ years' experience in border security. His current interests include multimodal biometrics on-the-move, automated video surveillance and benchmarking. Prof. Ferryman is an appointed member of both the UK Home Office's Border Vision Advisory Group (BVAG).

**+447977016789**

**[james@computer.org](mailto:james@computer.org)**

### **Clemente Fuggini (FCT/INFRA)**

Civil engineering with +15 years' experience in risk engineering, disaster risk management and critical infrastructure resilience. He is Head of Research and Innovation for the Infrastructure Business Unit of RINA Consulting. He has been the coordinator of the Security projects Spartacus (FP7) and SecureGas (H2020).

**+39 3440179979**

**[clemente.fuggini@rina.org](mailto:clemente.fuggini@rina.org)**

### **Sean Gaines (FCT/INFRA)**

Director of international projects at VICOMTECH, a Technology Centre specialised in artificial intelligence and Visual computing, bridging the gap between basic research and industry.

**+34638591503**

**[sgaines@vicomtech.org](mailto:sgaines@vicomtech.org)**

## Juha Hintsa (BM)

Senior researcher, lecturer and consultant in global supply chain security, customs and border security, and trade facilitation. He is currently the coordinator of the H2020 project PEN-CP, the Pan-European Network of Customs Practitioners. He was involved in 40 research projects, and is author or co-author to nearly 90 publications.

**+41765890967**

**[juha.hintsa@cross-border.org](mailto:juha.hintsa@cross-border.org)**

## Christian Illing (DRS)

Involved in civil protection since 2002 as a responder in emergency services and water rescue. Working since 2017 with the German Federal Agency for Technical Relief (THW) and since October 2022, as Head of Unit at the Deutsches Rotes Kreuz LV Nordrhein e.V., dealing also with research matters.

**+49 177 6895363**

**[christian.illing@gmx.de](mailto:christian.illing@gmx.de)**

## Zvonimir Ivanovic (FCT/INFRA)

From 2001 to 2002 tax administration officer MF of Republic of Serbia and from 2002 to 2005 CID of MOI RS - rank sub lieutenant. From 2005 to 2009 Police college, and from 2009 to 2019 Academy of Criminal and Police studies and since 2019 until today University of Criminal and Police studies.

**+381606146866**

**[zvonimir.ivanovic@kpu.edu.rs](mailto:zvonimir.ivanovic@kpu.edu.rs)**

## Denis Josse (DRS)

Pharm D, PhD in molecular & cellular biology. From 1995 to 2011, CBRN research at the French Army Biomedical Research Institute (protection, decontamination, MCM). Since 2012, adviser of the Command on toxicological & CBRN risks management, education and training of responders.

**+33640667131**

**[denis.josse@sdis06.fr](mailto:denis.josse@sdis06.fr)**

### **Axel Kerep (BM)**

Field Archaeologist, Graduated Archaeologist - University of Paris 1 Pantheon-Sorbonne, Project Manager, industry Project Manager New Technology and AI

**+33671622518**

**[axel.kerep@yahoo.fr](mailto:axel.kerep@yahoo.fr)**

### **Marcin Kowalski (BM)**

Associate Professor at Military University of Technology (Warsaw, Poland). His research interest include detection of attacks on biometric systems, algorithms for detection of objects, multispectral imaging in security and defence applications.

**+48608732357**

**[marcin.kowalski@wat.edu.pl](mailto:marcin.kowalski@wat.edu.pl)**

### **Andreas Kriechbaum-Zabini (BM)**

Leading the research field "Surveillance and Protection" at AIT. For this reason he has coordinated or participated in several important international projects in the domain of border control and border surveillance.

**[andreas.kriechbaum-zabini@ait.ac.at](mailto:andreas.kriechbaum-zabini@ait.ac.at)**

### **Jozef Kubinec (SSRI)**

Experienced public procurement officer and procurement lawyer. He is actively working in implementing public procurement of innovation and professionalisation of public procurement. He graduated from the University of Palacky (law) and Tor Vergata in Rome (public procurement management).

**+421905715283**

**[jkubinec@hotmail.com](mailto:jkubinec@hotmail.com)**

## Ernesto La Mattina (FCT/INFRA)

Head of the Homeland Security Research Unit, in the IS3 "Industry and Security Technologies, Research and Innovation" Lab within the R&D Department at Engineering Ingegneria Informatica Spa. He is a Software Engineer with expertise in Artificial Intelligence, Data Mining, Big Data Analytics, Multimodal Information Fusion.

**+3903282688962**

**[ernesto.lamattina@eng.it](mailto:ernesto.lamattina@eng.it)**

## Samantha Lim Thiébot (DRS)

More than 20 years at Ineris, first as an industrial risk prevention engineer. More than 15 years in global security issues (security vulnerability assessment, security guidelines, national and European projects related to security). Member of several standardization working groups and security working groups at national and EU level.

**+33601321533**

**[samantha.lim@ineris.fr](mailto:samantha.lim@ineris.fr)**

## Isabelle Linde-Frech (SSRI)

Head of Unit "Public Technology and Innovation Planning" at Fraunhofer Institute for Technological Trend Analysis INT. Member of German National Security Research Program Expert Group and Co-Chair of the EARTO Working Group for Security and Defense. Expertise in strategic planning support for security related capability driven development processes.

**+49225118367**

**[isabelle.linde-frech@int.fraunhofer.de](mailto:isabelle.linde-frech@int.fraunhofer.de)**

## Antonio Marqués (SSRI)

20+ years of experience at management level on RTD projects and innovation management in an industrial context, being responsible for an innovation unit in charge of my company's RTD security projects. More recently, I have been responsible for multiple EU RTD projects on Critical Infrastructures protection and First Responders support.

**[amarques.etraid@grupoetra.com](mailto:amarques.etraid@grupoetra.com)**

### **Isto Mattila (BM)**

CG Captain Navy (ret.) and he has worked for the European Commission with Maritime Security Strategy and information sharing mechanism (CISE) between maritime authorities. He is also a project coordinator of the AI-ARC Horizon 2020 project, which aims to build information sharing and anomaly detection to Arctic stakeholders.

**+358405881108**

**[isto.mattila@laurea.fi](mailto:isto.mattila@laurea.fi)**

### **Alessia Melasecche Germini (SSRI)**

PhD, former Marketing Professor, > 20 y Director, COO, Senior Expert and now CEO at META Group, with experience in supporting exploitation and dissemination of research results. Regularly engaged by several EC DGs, REA and EIT to take part as Expert, Evaluator, Reviewer and Rapporteur to evaluation and assessment panels.

**+393498522517**

**[a.melasecche@meta-group.com](mailto:a.melasecche@meta-group.com)**

### **Annalisa Meloni (BM)**

Senior lecturer in law and co-director of the Centre for Justice, Law and Society at the University of East London. Her area of expertise is the legal framework regulating EU policies on visas, external border controls, asylum and immigration. She has acted as an expert in relation to EU funding programmes and as a consultant for NGOs.

**+447484182006**

**[anmelon@yahoo.com](mailto:anmelon@yahoo.com)**

### **Sandra Mezzadri (SSRI)**

Senior advisor and consultant for private and public entities involved in EU security, defence, space policy and programmes, with previous experience as defence public procurement expert in the European Commission and Senior Officer in the European Defence Agency. IABG partner, responsible for EU and international affairs, member of the European Organisation for Security (EOS) Board of Directors.

**+393473161794**

**[sandra.mezzadri@gmail.com](mailto:sandra.mezzadri@gmail.com)**

### **Pantelis Michalis (BM)**

Pantelis Michalis graduated from the Hellenic Military Academy in 1991. In 2005, he received his Ph.D. from the University of London in Remote Sensing. Since 2014, he served as senior researcher at KEMEA. Since 2021, he holds the role of Head of Research & Development - Border Security & Defense Division in Satways LTD.

**+306974028602**

**[pantelis.michalis@gmail.com](mailto:pantelis.michalis@gmail.com)**

### **Eric Moore (SSRI)**

Senior Lecturer in the School of Chemistry, University College Cork and heads a research group focused on chemical and bio-sensing and separation.

**[e.moore@ucc.ie](mailto:e.moore@ucc.ie)**

### **Emilio Mordini (BM)**

Psychiatrist and psychoanalyst. His research activity focuses on the collective imaginary. He is Research Fellow at the Haifa University Health and Risk Communication Center and chairs the Ethical Committee of the European Association of Biometrics. Since 1994 he has been awarded with 35 research grants by the European Commission.

**+39 0434 1836395**

**[em@emilio-mordini.it](mailto:em@emilio-mordini.it)**

### **Petr Motlicek (FCT/INFRA)**

Coordinator of EC H2020 FCT project - ROXANNE. I have been involved in security related R&D from 2014. My background is related to machine learning, with applications to voice, text and network analysis. I have also quite strong collaboration with industries, and have experience in tech transfer, as well as exploitation of joint IPRs.

**+41 27 721 77 49**

**[petr.motlicek@idiap.ch](mailto:petr.motlicek@idiap.ch)**

### **Bart Nys (FCT/INFRA)**

(°1965) Obtained a PhD. in physical chemistry from the University of Antwerp. He works as a forensic scientist at the National Institute of Criminalistics and Criminology since 1994 as a GSR expert. Since 2009, he is additionally the institute's R&D Coordinator.

**+32474554609**

**[bart.nys@just.fgov.be](mailto:bart.nys@just.fgov.be)**

### **Patrick Padding (FCT/INFRA)**

Core group leader of ENLETS since 2012; responsible for the programming and first point of contact of the network that brings together EU Law enforcement in front line policing, crime and public protection searching for best practices, co-creation and research. Project coordinator of the H2020 project i-LEAD. Member of the international affairs unit of the Chief Commissioner of the Central Unit of the National Police of the Netherlands.

**[cgleader@enlets.eu](mailto:cgleader@enlets.eu)**

### **Letizia Paoli (FCT/INFRA)**

Professor of criminology and chair of the Department of Criminal Law and Criminology at the KU Leuven Faculty of Law and Criminology and a Life Member at Clare Hall, University of Cambridge. Her research agenda focuses on organized, corporate and sports crime and the related harms.

**+32479609464**

**[letizia.paoli@kuleuven.be](mailto:letizia.paoli@kuleuven.be)**

### **Hans-Martin Pastuszka (SSRI)**

Economist & Senior Researcher at Fraunhofer INT. Scientific background on analyses on long-term defence & security research planning on national & EU level since 2001, incl. organisational & conceptual issues, planning processes & related activities, i.e. technological horizon scanning & foresight.

**+49 2251 18 298**

**[hans-martin.pastuszka@int.fraunhofer.de](mailto:hans-martin.pastuszka@int.fraunhofer.de)**

## **Elisabete Pires (BM)**

Currently working as Senior Consultant of International Programmes Department at the Nacional Innovation Agency. Previously was Head of innovation and funding at Vision-box, and responsible for the company's participation in several funded projects in Civil Society for Security like Odysseus, iMARS and Smart-trust.

**+351919215664**

**[elisabete.pires@gmail.com](mailto:elisabete.pires@gmail.com)**

## **Daniela Pisoiu (FCT/INFRA)**

Senior Researcher and lecturer in the fields of Terrorism, Radicalisation and Extremism with a PhD and 18+ years of experience, coordinator of several ISF-P projects, member of the RAN scientific advisory board, Horizon evaluator.

**[daniela.pisoiu@oiip.ac.at](mailto:daniela.pisoiu@oiip.ac.at)**

## **Isabel Praça (FCT/INFRA)**

Coordinator Professor at the Institute of Engineering – Polytechnic of Porto (ISEP), Advisor of ISEP Presidency for R&D, Director of the Master on Informatics of ISEP, and Senior Researcher at GECAD (leading the research activities on cybersecurity). Coordinates several international projects (H2020, HORIZON, ITEA and Celtic) with the focus on artificial intelligence (AI) for enhanced cyber security, and on the security of AI.

**[icp@isep.ipp.pt](mailto:icp@isep.ipp.pt)**

## **Luisa Proença (FCT/INFRA)**

Deputy National Director, PT Criminal Police, responsible for I&D, European Funds, ICT, Finance. LEAR of MoJ. Several FP7, H2020 and HEU projects CERV NCP; member of CERV-Justice Committees Member of Coord Committee ISF-P eCODEX projects: Evidence2e-Codex, EXEC, EXEC II, e-CODEX, Me-CODEX

**+351-963819238**

**[luisa.proenca@pj.pt](mailto:luisa.proenca@pj.pt)**

### **Christian Resch (DRS)**

Managing Director of Disaster Competence Network Austria. Graduated at the Military Academy with a master in CBRN response management. Master of Engineering in process and plant safety. Member of the UN Disaster Assessment and Coordination Alert roster. of the UNDRR (European Science and Technology Advisory Group).

**+43 664 60 873 5260**  
**[christian.resch@dcna.at](mailto:christian.resch@dcna.at)**

### **Tiina Ristmäe (DRS)**

Professional background is related with civil protection from the practitioner's perspective. From 2016 I am working for German Government Agency for Technical Relief. I have experiences with different end user roles in research & development field, also I am the vice chair of the global network IFAFRI.

**+49 1725175103**  
**[tiina.ristmaee@thw.de](mailto:tiina.ristmaee@thw.de)**

### **Xavier Romão (DRS)**

Civil engineer, an Assistant Professor at the Faculty of Engineering of the University of Porto, vice-president of the International Scientific Committee on Risk Preparedness of ICOMOS, member of the Board of the Portuguese Society of Earthquake Engineering and a member of the StEER Network.

**+351966515879**  
**[xnr@fe.up.pt](mailto:xnr@fe.up.pt)**

### **Katharina Ross (DRS)**

PhD (Dr. rer. nat.) for modelling the groundwater transport in heterogeneous fractured media. Worked for Fraunhofer EMI from 2016 – 2022, participating in various projects like EDEN, TeamAware, PRINCE, AI-ARC or Critical-Chains, and since 2019, leading the group „Reliability of learning systems“. Since 2023, working for ZEISS as a technical project lead.

**+49 173 1774916**  
**[ross-katharina@t-online.de](mailto:ross-katharina@t-online.de)**

### **Samuel Rufat (DRS)**

Has a background in academia and research on Disaster Risk Reduction and critical infrastructure with over 15 years of experience, including DRS and COST projects. He holds a Geography PhD, a Habilitation, he is professor of geography, teaches at the Institut Universitaire de France and is an ERC Consolidator grantee.

**+33682193118**

**[samuel.rufat@u-cergy.fr](mailto:samuel.rufat@u-cergy.fr)**

### **Atanas Rusev (FCT/INFRA)**

Has over ten years of relevant experience in academic and policy-oriented research on organised crime. He has worked extensively on various aspects of this phenomenon, including criminal finances, the link between corruption and organised crime, and the use of ICT technologies and new payment methods by organised crime groups.

**+359889552740**

**[atanas.rusev@csd.bg](mailto:atanas.rusev@csd.bg)**

### **Paolo Salieri (BM)**

Principal Scientific and Policy Officer with the European Commission (1989 -2019), in different DGs (DG RTD, Space Policy, DG ENTR, DG HOME). Associated to EU security research since its earliest definition. Previously scientist at Italian National Institute of Optics and Research Associate at University of Southern California.

**+32474993144**

**[paolo\\_salieri@yahoo.it](mailto:paolo_salieri@yahoo.it)**

### **Laura Salmela (BM)**

Works as PM and Research Scientist at VTT. She holds a M. S. Sc. (IR) from the University of Tampere. Her core competencies are in-depth knowledge of security-critical domain, from which she has accumulated more than 10 years of experience in contract assignments and research projects.

**[laura.salmela@vtt.fi](mailto:laura.salmela@vtt.fi)**

### **Xenia Schneider (SSRI)**

CSCI, MBA: 30-yr international multidisciplinary experience; business strategist and Responsible Research and Innovation practitioner; focuses on exploitation of innovation; policy-gaps. 19-yr know-how in R&I EU-funded projects as partner and advisor, expert evaluator, and evaluations observer.

**[xenia-schneider@xpro-consulting.com](mailto:xenia-schneider@xpro-consulting.com)**

### **Daniel Sempere-Torres (DRS)**

Prof. of Hydrometeorology and Environmental Eng. at the UPC and Director of the CRAHI ([www.crahi.upc.edu](http://www.crahi.upc.edu)). Over 30 years of experience in hydrometeorological modelling, development of Early Warning and DSS for weather and climate-induced emergencies working in close collaboration with CPAs. Coordinator of of GOBEYOND and ANYWHERE ([www.anywhere-h2020.eu](http://www.anywhere-h2020.eu)).

**+34 934017382**  
**[sempere@crahi.upc.edu](mailto:sempere@crahi.upc.edu)**

### **Magda Stepanyan (DRS)**

Expertise: risk governance, disaster/climate risk management, civil protection, enterprise risk management (ERM), project/ programme/portfolio risk management, strategic planning, M&E. Geography: Eastern and Western Europe, Western Balkans, Central, South and South East Asia, South Caucasus, Africa, Arab states, Caribbean region.

**+31616499150**  
**[magdastepanyan@yahoo.com](mailto:magdastepanyan@yahoo.com)**

### **Dr Lukasz Szklarski**

Over the last 15 years has been specializing in developing new technological security solutions in European projects for EC and EDA. His education merges degrees in IT and Security and his major field of expertise is CBRN detection systems. Currently, he is the head of the CBRN department at ITTI and Coordinator of EU-SENSE, EU-RADION and CHIMERA projects.

**+48504157882**  
**[Lukasz.szklarski@itti.com.pl](mailto:Lukasz.szklarski@itti.com.pl)**

### **Sofia Tsekeridou (FCT/INFRA)**

Senior Research & Innovation Manager - Expert at the Research & Innovation Dev. Dept. of Netcompany-Intrasoft, heading the Security & Safety Lab. Holder of ECE Diploma and PhD in Computer Science, both from Aristotle Univ. of Thessaloniki, Greece. Long experience in security research and innovation.

**+306944475916**

**[stsekeridou@gmail.com](mailto:stsekeridou@gmail.com)**

### **Umut Turksen (BM)**

Professor in Law at the Centre in Financial and Corporate Integrity of the Coventry University (UK). Professor Turksen is specialised in EU law, with focus on counter-terrorism, immigration control, financial crime, cybercrime and the EU energy security. He is currently leading the H2020 project TRACE.

**[umut.turksen@coventry.ac.uk](mailto:umut.turksen@coventry.ac.uk)**

### **Rita Ugarelli (FCT/INFRA)**

Chief Scientist at SINTEF Community and adjunct professor at the Norwegian technical university in Norway. Expertise related to the water sector. Co-leader of the Water Europe cluster "Digital Water" and of the action group "cybersecurity" of the ICT4Water Cluster.

**+4745429787**

**[rita.ugarelli@sintef.no](mailto:rita.ugarelli@sintef.no)**

### **Marcel Van Berlo (SSRI)**

Marcel is a project and program coordinator at TNO (the Netherlands) in the field of civil security and coordinates the involvement of TNO in the European security research arena. He is chairing the EARTO Working Group Security & Defence research and is member of the Board of Directors of EOS.

**+31653151863**

**[marcel.vanberlo@tno.nl](mailto:marcel.vanberlo@tno.nl)**

### **Malte von Ramin (FCT/INFRA)**

Head of the department »Risk Management and Protective Structures« at the Fraunhofer Institute for High-Speed Dynamics, EMI, Germany. An expert on explosives safety, his work focusses on the protection of public and critical infrastructure from natural and man-made hazards.

**+49 7628 9050 749**

**[malte.von.ramin@emi.fraunhofer.de](mailto:malte.von.ramin@emi.fraunhofer.de)**

### **Stefanos Vrochidis (SSRI)**

Senior Researcher (Grade C) at ITI-CERTH and the Head of the Multimodal Data Fusion and Analytics (M4D) Group. He is also a cofounder of Infalia. His research interests include multimedia understanding, multimodal fusion and artificial intelligence. Dr. Vrochidis has participated in more than 60 research projects.

**+302311257754**

**[stefanos@iti.gr](mailto:stefanos@iti.gr)**

### **Olga Vybornova (DRS)**

Research interests: innovation management practices supporting security end-users, ontologies, knowledge engineering, communication during the crisis, Laboratory Information Management Systems, data exchange principles, data privacy and data protection. Coordinator of NoP project eNOTICE - European Network of CBRN Training Centres.

**+32488454478**

**[olga.vybornova@uclouvain.be](mailto:olga.vybornova@uclouvain.be)**

### **Jennifer Woodard (BM)**

Security researcher and senior leader with over 18 years experience in the technology sector. Co-founder of Insikt Intelligence, a startup helping security agencies gain vital intelligence through AI. Co-founder of Dataietica, a non-profit institute focused on the promotion of ethics in AI for Security.

**+34685138904**

**[internacionalista@gmail.com](mailto:internacionalista@gmail.com)**

## Michel Zayet (DRS)

Senior Project Manager / Project Holozcan.com End Users relations & WP5. EU Representative Deputy Executive Director of the Science and Technology Center in Ukraine, ex-Weapon Scientists conversion to civilian research. Task Manager at EC DG Relex, SCR, & at EU Delegation to Ukraine.

**[Michel.Zayet@protonmail.com](mailto:Michel.Zayet@protonmail.com)**
